

^R PERMETHRIN 1%
MEDICATED DOG SOAP

BilTick
SOAP

Composition

Permethrin	BP	1% w/w
Soap Noodles base		QS
Excipients		QS

Importance

Fleas, ticks, lice, mites & flies are all common external pests that infest dog through contact with other animals or contact with parasites in environment. These parasites cause itching which leads to scratching & chewing in pets that leads to skin infections, hair loss & inflammation BilTick is a broad spectrum, multi-purpose insecticidal soap used against these pests.

Mode of Action

BilTick is a permethrin soap which is an insecticide acts by blocking sodium channels to disrupt the functions of neurons thereby causing muscle spasm and leads to paralysis and death of parasite.

Usage recommendation

Wet your puppy with warm water & apply BilTick soap to the entire body. Rinse with water & repeat it if necessary.
